The accommodation is arranged over two floors and comprises of sitting room with inglenook fireplace opening through to family room and further door to newly fitted Kitchen/breakfast room. From here you can access the garden room with double doors to rear and a useful utility room and cloakroom with wc and shower.

The Cottage has been recently refurbished to provide well presented character accommodation, with further potential to extend subject to necessary planning permissions.

The gardens wrap round the cottage and are mainly laid to lawn with shrub beds and mature hedging. Immediately to the rear is an extensive patio creating a pleasant enclosed seating/dining area. Ample parking adjacent to the cottage.

The property is approached over a driveway which forks to provide access to the cottage and a separate driveway to the holiday let and yard areas. The land and paddocks are situated to the north of the buildings and extend to approximately 5.06 acres/2.04 ha.

This land is well fenced and classified as Grade 3 on the Agricultural Land Classification Plan for England and Wales, with well-draining soil types typical of this part of the North Downs. Situated within a National Landscapes designated area (formally ANOB).

FARM BUILDING

The building housing 8 Lodden stables is an 'American Style' barn of relatively modern construction with a concrete frame portal structure, attached is a further building providing hay storage area and foaling stall. A covered outside area provides potential for four further loose boxes and a covered wash bay. To the east end of the barn is a large tack room/workshop. There is ample hardstanding and further parking to the southeast of the barn. Footprint of the barn is 270sqm.
