To the front of the property, a low maintenance stone paved driveway provides ample off road parking and wraps around to the detached garage and rear of the home. The property benefits from an accessible ramp with metal railing leading to the front UPVC door.

Upon entering the property, the entrance hallway provides access to the kitchen, reception room and storage cupboard. The kitchen/diner features a range of matching cream base and wall mounted units with a wood effect laminate worksurface over. The kitchen benefits from several integrated appliances such as oven, grill, microwave, fridge and freezer. There is a tile effect laminate flooring with tiles to half height of the walls above the worksurfaces. The kitchen also features two UPVC windows, one to the front of the property and one to the side next to a partially glazed patio door which leads to the drive.

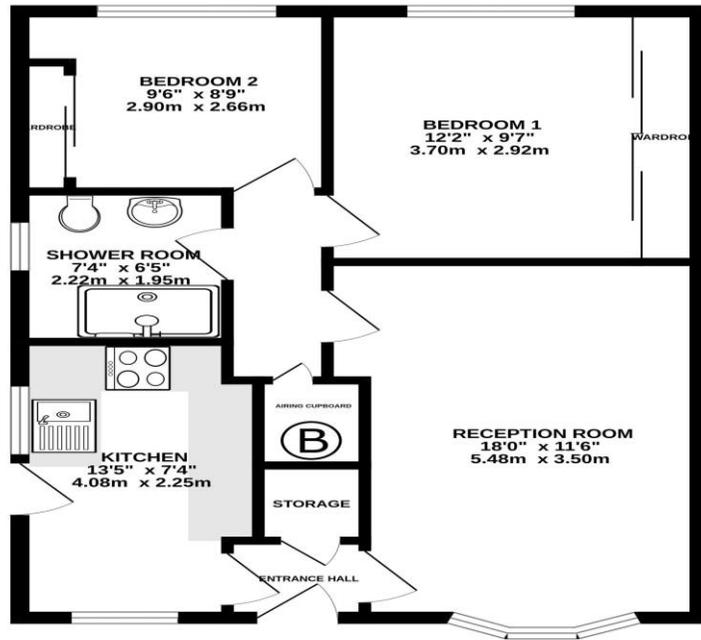

The spacious reception room features a large UPVC bay window overlooking the front of the property and carpet laid to the floor. There is a gas fireplace which sits on a marble hearth with matching surround and cream wooden mantelpiece above. The reception room provides access to a second hallway which follows on to the shower room and two bedrooms. The hallway also benefits from an airing cupboard which houses the combination boiler.

The shower room features a matching three piece suite that comprises of a walk in shower cubicle, full pedestal wash hand basin and low level W/C. There is a wood effect laminate flooring and tiles at half height with a feature mosaic tile to the shower area. The shower room also benefits from an obscure glazed window to the side of the property.

Bedroom one is a generously sized double room with carpet laid to floor and a UPVC window overlooking the rear garden area. Bedroom one benefits from built in storage via large mirrored sliding door wardrobes to one wall. Bedroom two is a good sized single room, again with carpet laid to the floor and a UPVC window to the rear garden. Bedroom two also features built in wardrobes to one wall.

To the rear of the property, a detached garage (17.8ft X 8.5ft) which features an electric garage door and power supply is accessed from the patio area. The rear garden is made up of two tiers, the first being a patio area with raised flower beds to one side and a pathway that leads to steps up with hand rail to the second tier. The second level of the garden features artificial lawn to one side with a timber frame shed with power supply. To the other side, ground level flower beds enclose a brick built raised flower bed with mature plants and shrubs.
