Not only do we have a FREEHOLD GARAGE for sale but it also comes with off street parking in front of the garage, a very rare sight in this part of London! The garage has a roller shutter door and comes with light, electric point and a water supply. Situated in this very convenient location just off the South circular the garage is ideal for storage or for that special classic car.

This won't hang around so please do contact Porters Estate Agents to book your appointment slot.

- LOCK UP SINGLE FREEHOLD GARAGE
- ALSO COMES WITH HARD STANDING TO FRONT
- Power, light and water
- Excellent location
- Just off the South Circular
