Tempo are delighted to bring to the market this twin unit, residential specification Toronto Holiday Lodge. This holiday home is all about luxurious family living with a fresh interior. The original layout has proven exceptionally popular with larger families, who are delighted by the two bedrooms - especially the intelligently designed and premium touches, including high-quality carpet with underlay and LED lighting throughout. The two bed model offers greater appeal for couples and smaller families. Maintaining the same friendly, contemporary interior scheme, with its plush Zodiac soft furnishings, high specification and robust fittings, the additional layout allows you to select the variant that most suits your needs. It offers even larger bedrooms and extra wardrobe capacity for those prioritizing breadth and storage over berth capacity. External decking to three aspects of the holiday home, ideal for outside dining and entertaining. Parking for two cars.
