Two large double bedrooms and one good sized single bedroom

Modern anthracite grey cladding to front exterior

Being sold with no ongoing chain

Viewing is highly recommended

A rare opportunity to purchase a semi detached three bedroom family home that is being sold with no ongoing chain. The property has been lovingly maintained over the years and has been owned by the same family since its construction approximately 50 years ago.

To the front of the property, there is ample off-road parking available for up to two or three cars via driveway and to the front of the house low maintenance artificial grass is laid to ground. The front exterior of the property has recently been modernised with anthracite grey cladding and new UPVC windows.

A matching modern anthracite grey composite door leads into the entrance hallway which provides access to the reception room and carpeted stairway that leads to the first floor accommodation.

Double wooden glazed doors lead into the main reception room which features a large UPVC bay window overlooking the front of the

property. A modern wall mounted fireplace is the central focal point in this room with alcove space either side. The front reception room also benefits from under the stairs storage space. Grey wood effect laminate flooring is laid and flows into the rear reception room through an opening. The rear reception room features a UPVC window that overlooks the garden and allows light to flow through both the rear and front reception rooms.

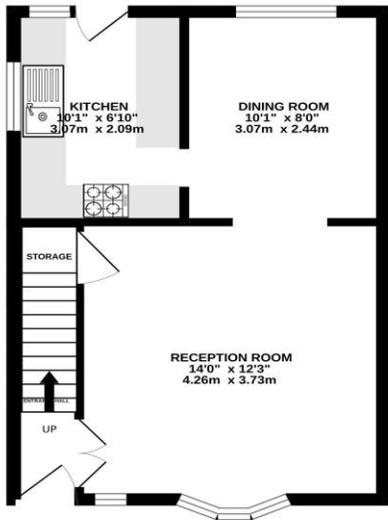

Following on from the rear reception room, an opening gives access to the kitchen. The kitchen features cream wooden base and wall mounted units with space for a fridge/freezer and up to one appliance. There is an integrated gas hob and oven below, as well as a sink with mixer tap and UPVC window above that overlooks the side of the property. There is a tiled splash back surrounding the speckled effect laminate work surface and laminate tile effect flooring. The kitchen gives access to the garden via an obscure glazed UPVC door.

To the first floor, the landing area gives access to a family shower room and three bedrooms. Bedrooms one and three are located at the front of the property and both feature UPVC windows overlooking the front garden and beautiful views overlooking Groll Country Park. Bedrooms one and two are generously sized double rooms with bedroom three being a good sized single room. Bedrooms two and three also benefit from built in storage with the water tank located in bedroom two. There is a UPVC window overlooking the rear garden in bedroom two that floods the room with light.

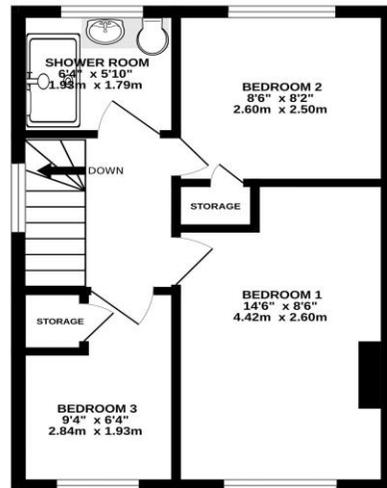

The modern and sleek style family shower room comprises of a matching three piece suite that includes, shower, low level W/C and wash hand basin that are both integrated into a vanity unit. There is a large obscure glazed window above the sink and grey tiled flooring below. To the walls there are grey marble effect tiles with a textured grey tile to the walls of the shower area.

To the rear of the property, the garden is made up on two tiers. The first tier houses a brick built shed and a patio area with a mature apple tree. Steps then lead up to the second tier that houses a lawned area and greenhouse. The garden is fully enclosed with a iron half height gate to the side of the property.
