# BUSINESS FOR SALE

## Location

The business is run from our client's personal dwelling within the Whitley Bay area although it could be run from anywhere. Whitley Bay is a very popular seaside town within North Tyneside and is densely populated.

## Business Description

Our client started a Perfect Polish in 2006 since then she has built up an excellent reputation building an active client base of over 300 people.

The business concentrates predominantly on domestic houses giving a professional and reliable service.

Our client runs the business from her personal residence all from a single mobile number, giving jobs to her team of 7 staff many of who are long standing.

The staff are provided with company owned Dyson Hoovers and buckets with cleaning products being provided by the clients.

Our client will be walking away from the business due to genuine personal reasons with the 7 staff remaining.

The business has grown year on year all due to word of mouth but we feel there is huge scope to increase the current turnover by taking on additional staff and introducing a website and social media.
